**HIZLI TÜKETİM ÜRÜNLERİ PAZARLAMA SAN. VE TİC. LTD. ŞTİ.**  
**FAST MOVING CONSUMER GOODS CO. LTD.**

Our company was established in 2007 by two old friends, whose earlier friendship(which is also creates the company's name: 2F = 2 Friends) turned out to be a partnership and has grown rapidly in the market in a short period of time. The main factor of the success is that partners and company's staff engaged in the professional management in the sectors which they'd involved in for many years. The truth is that our company is a family business that is created by the people who have different last names.

Our company, mainly dealing with three main groups, has been effective in the market especially with the goods by which the company imported and made them produced under its brand name.

**These main groups can be summarized as follows;**

- Packaging and Consumable Products - Cleaning Products - Hygiene Products

Our company targets to gain long term relationship based on trust with its costumers throughout Turkey and aims to strengthen its position in the market more and more by expanding its quality product range consist of disposable products that are used routinely by many business places.

Our company continues to work in its new building through the great efforts made in 2017. Our company began to be professionalize its existence in Far-East especially by taking the awareness into consideration, stated as having the right supply chain is essential for the right service.

Our company made a decision about using own brands in all packaging products, by developing their new product concept since 2015. With this enterprise, it is aimed to expand our supply chain by adding new partners-new distributors, new Franchisee - to the network for reaching every consuming point.

**“ 2F IS AT EVERYWHERE “**
